Low Country Chapter Wins Award

The [WVU Alumni Association](#) recently recognized 17 alumni chapters and constituent groups with the Golden Musket Award for their commitment to service to the Association and [West Virginia University](#). The Low Country Mountaineers Chapter won the award again this year for the 4th year in a row.

The Golden Musket Award was created in 2007 by the Alumni Association to acknowledge the groups that have demonstrated extraordinary service in the areas of scholarship,

community service, career/mentoring opportunities, student recruiting and social networking. Chapter leaders were presented with the awards during the 14th Annual Alumni Leaders Institute held in April in conjunction with the WVU Gold & Blue spring football game in Morgantown.

This year's recipients of the Golden Musket Award include: Boone County Alumni & Friends, Blue Ridge Mountaineers, Central PA Chapter, Central VA Chapter, Charlotte Chapter, Cincinnati/Dayton

Chapter, Delaware Chapter, Eastern Panhandle Chapter, Grand Strand Chapter, Greater Charleston (WV) Area, Lone Star Chapter, National Capital Area Chapter, NY/NJ Metro Chapter, Peach State Chapter, RTP Chapter, Low Country Mountaineers (SC) Chapter, South Florida Mountaineers and the University Chapter in the life of WVU.

Special "Thank You" to all our chapter officers and paying members, without your support the chapter wouldn't be a success!

Low Country Mountaineers Give Back

Throughout the year the Low Country Mountaineers Chapter participates in several community service events to help give back to the community.

During the 2010 football season chapter members donated school items for the Low Country Orphan Relief during the UNLV game watch. Also, the chapter teamed up with the Charleston Elves program; a program that gives kids affected by cancer toys for Christmas. The chapter collected over 100 toys for 2 children at the Rutgers game watch.

As part of the National

WVU Alumni Game Watch versus Notre Dame during the 2010-2011 basketball season, our chapter (along with WVU alumni chapters across the country) held a canned food drive. The chapter collected over 74 pounds of food and donated it to the Low Country Food Bank.

On August 13th, the chapter will be volunteering our time and efforts to help out the Low Country Orphan Relief for the 2nd year in a row. More information about this service project along with others will be coming soon!

Special thanks go out to our community service chairs; Andrea Clements and Jennifer Crawford for all their hard work!
